Program for Spiritual Growth for Hyodong Children and Seonghwa Students

A spring vacation camp for Hyodong children was held at Toronto Church in Canada from March 19 to 22 (HC 2.1-4).

Held under the theme "Faithcraft: Building the Foundation for Our Faith," it is notable that Seonghwa students were involved in planning and preparing the camp.

Lectures for the children were conducted in a quiz format by Heavenly Top Gun missionaries, together with various programs including practicing performances and small group discussions.

The children and Seonghwa students shared joy with the community by presenting, at Sunday Service, the songs they had practiced at the camp.
