Strengthening Solidarity for Religious Freedom and Global Cooperation

The World Christian Leadership Conference (WCLC) offered 21 days of prayer devotions for religious freedom from March 7 to 27 (HC 1.19 to 2.9).

Led by Archbishop Angelo Rosario, these devotions were broadcast live daily, promoting inter-religious harmony and prayer for the safety and well-being of True Mother.

On March 25, an online seminar was held on the theme "Korea: A New Dawn Rising."

The testimonies given in February by Dr. Tanya Edwards and Archbishop Johannes Ndanga, who had met True Mother in the detention center, were shared.

Through the prayer devotions and seminar, WCLC naturally resolved to strengthen solidarity for the sake of religious freedom.
