Youth Outreach Activities Across Nine Nations

From HC 2.20–3.30 (7 April–16 May), the Heavenly Central and South America Hyojeong Team carried out 40 days of witnessing devotion in nine countries, including Brazil and Argentina.

A total of 115 young people from the Hyojeong Academy, Hyojeong Rang, and Pure Water teams participated.

Through witnessing activities, community service, Cheonshim Won devotions, and Happy Day events, participants connected 156 new members to Heaven.

The Hyojeong Team resolved to continue a life of devotion, united with the True Parents in spirit and truth.
