Members of the younger generation pledging to bring victory in their mission

A Time to develop as Responsible Citizens

A Youth Education Conference was held at the Seonghwa Institute of Technology and Science (ISTS) in Limete, Democratic Republic of the Congo, on HC 4.2 (18 May).

Approximately 60 young people and invited guests attended.

Held under the theme "Is Patriotism still an Essential Value Today?" the conference featured presentations and discussions on civic responsibility and the social role of young people.

Participants renewed their sense of mission as members of the younger generation who will contribute to the development of their nation.
