Building a United Community Through the Practice of Moshim

The Family Federation in the Philippines conducted home visits and a Moshim (Attendance) Workshop from HC 4.5–4.9 (21–25 May).

During the home visits, FFWPU Philippines National Leader Ronnie Sodusta visited inactive families in the Palawan region, worshipping together with them and offering encouragement.

The visits sought to strengthen relationships and help reconnect families with the church community.

From 23–24 May, the Family Federation Philippines also held a Moshim Workshop in Puerto Princesa.

Yutaka Yamada, Continental Director of Heavenly Asia-Pacific, encouraged participants to fulfill their providential mission with renewed commitment.
