From 3 - 10 July 2026, the Czech and Slovak HARP community gathered for its 14th Summer HARP Workshop, bringing together around 50 participants, including staff, for a week of faith, personal growth, and friendship.

The central theme, "God's Plan," was inspired by Isaiah 55:8 - 9:

"For my thoughts are not your thoughts, neither are your ways my ways... As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts."

Throughout the week, participants reflected on learning to trust God's guidance, even when His plans differ from their own expectations. The program encouraged everyone to deepen their faith and discover that Heavenly Parent's vision for their lives is often greater than they can imagine.

Each day explored a different theme, including Relationship with the Heavenly Parent, God's Plan, Tradition, Inner Flame, Purity, Me and the World, and Faith in Action. Through lectures, discussions, personal reflection, sports, creative activities, and community life, participants were inspired to strengthen their relationship with God and live their faith more intentionally.

Special programs such as Challenge Day, Brothers and Sisters sessions, testimonies, a prayer evening, and a family evening provided opportunities for deeper conversations, personal growth, and stronger friendships.

Participants returned home with renewed inspiration, meaningful friendships, and unforgettable memories. Through shared experiences, heartfelt prayer, and sincere reflection, many strengthened their relationship with the Heavenly Parent and left encouraged to live their faith with greater confidence, love, and purpose.

The 14th Czech and Slovak HARP Summer Workshop was another meaningful step in helping young people grow in faith, develop their character, and build a supportive community centered on Heavenly Parent's love and His plan for their lives.
