August 2, 2026

With the participation of 27 second-generation youth and 6 CARP members, a three-day Divine Principle seminar titled "YOYO" was held at the Armonía y Paz (Harmony and Peace) farm from July 31 to August 2, 2026.

The seminar began with an orientation and an overview of its purpose presented by Wilber Rosario Belliard. Following that, Mr. Cesar Regalado delivered a lecture on the Principles of Creation and how to put the Divine Principle into practice.

Regional Director and National Caribbean Leader Bernardo Cruz Peralta presented on the Human Fall. He gave practical guidance on how to avoid falling and explained the True Parents' wish for young people to keep their lineage pure by becoming "pure waters."

Reverend Bernardo Cruz Peralta also gave a lecture on the Mission of the Messiah, explaining the second generation's essential role in the messianic mission. He walked through the Principles of Restoration in a practical manner, helping the youth understand the course God has carried out to restore humanity.

Mr. Cesar Regalado led a lecture on Resurrection, speaking on ancestral liberation from the perspective of the Divine Principle.

Mr. Carlos Hernández presented on the Second Coming and the Course of the True Parents. Each lecture was followed by group discussions and reflection questions aimed at applying the Divine Principle and the words of the True Parents. Throughout the seminar, participants also engaged in games designed to practically apply the Divine Principle.

The seminar was organized by Mr. Hope Gómez Yamaguchi, Youth President for the Caribbean Region. Mr. Gómez shared his life testimony, encouraging the second generation to actively participate in the providence, and highlighted the importance of the Formula Course, physical restoration, and witnessing to gain spiritual children.

The seminar concluded with a presentation from Continental Headquarters explaining the Formula Course for the Life of Faith and the development of young leaders in Celestial Latin America.
