IPEC made history once again, welcoming the first 7-day Divine Principle Workshop in the United States. A total of 18 people for Spanish and 13 people for English came from all over the United States as pioneers to this wonderful experience. A 70-year old Korean lady joined the Spanish Workshop and She said, "it is not easy to witness to American people, so I came here to learn the Spanish Divine Principle to witness Spanish people. Spanish people are so wonderful, they have a warm heart and are family-oriented."

I am also proud of Las Vegas church being able to send 2 people for the Spanish and 2 people for the English workshop.
