On February 19th, 6 CARP members received Scholarship award from Rev. Doo, pastor of Las Vegas Family Church as a representative of True Parents in the end of Sunday Church service. CARP members stood with deep gratitude on their faces.

As Rev. Doo offered award to them, he expressed his gratitude of their hard work and True Parents' hope and expectation for them to be future leaders in his spirit. Whole church was filled with warm spirit as if everyone shared the same honor as big family.
