Feb. 25, 2017 - CARP Las Vegas held their first Divine Principle Lecture Competition of this semester! The intention was for the students to learn to feel the joy of sharing God's love and truth to others. Rev. Doo and Mrs. Compton came over to support as judges for the lecturers. Mrs. Compton gave encouragements in the end by telling the students to continue practicing because there needs to be more people who can convey God's Heart in this critical time.
