CARP successfully kicked off the month with their amazing outreach performance on the UNLV Campus on February 2nd. Their purpose was to give back and express God's infinite love through music and fellowship. GPA and local community members created a bond of unity and mobilized the high spirit world to attract many UNLV students!

On Saturday, February 11th, a total of 28 guests participated in a Parent and Youth Empowerment Workshop presented by the Family Education and Empowerment Foundation (FEEF). President Mimi Morse gave a heartfelt message on the importance of communication between children and their parents to develop healthy relationships and reaching educational success.

In the month of February, the CARP home welcomed UNLV Library Director, Mr. Jimmy Jones. His father and two other siblings are ministers and he is a fervent Christian.

Our missionaries prepared a delicious Korean dinner for him. Mr. Jones was inspired by 2017 Sunhak Peace Prize 2017 Video report.

On February 22nd, CARP Las Vegas hosted their first Pure Love Talk of the semester! 5 new guests attended this event. CARP president, Jinil Fleischman gave a talk titled, "First Things First," conveying that true love is love that has the heart to give unconditionally. In the end, Briana Santasieri shared a testimony on her journey to committing to a life of pure love and encouraged others to join her in a stand for pure love.

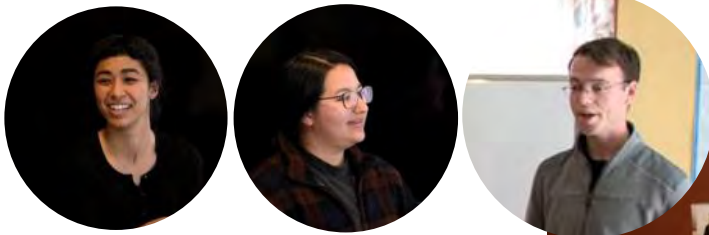

On Wednesday, Feb 22, 7-8:30 pm. at CHG sanctuary. Rev. Doo shared the Providential Report and World Mission Department's plan for the year 2017 after his travel to Korea. It was very good to hear True Mother's plan and the international plan for the new year in order to be aligned with the providence. Participants appreciated the sharing. Hello brothers and sisters, we now have a two part Sunday service, the first part focuses on internal education and reports and is dedicated to members only while the second part is open to both members and new guests. We hope you are enjoying this new format.

On Feb 10th -11th 2days monthly work shop was held as a consummation of GPA's 2 week long training. GPA witnessed how new guests go through transformation process by the power of principle and love.

On Feb 13th GPA good bye party and those who's heart were touched came and expressed their gratitude to them.

On Feb 25th The First DP lecture contest took place with the support of Rev. Doo and Mrs. Compton. All CARP members strove to give DP lectures. They formed a trinity and they have been studying to give lectures since the beginning of this semester. Their goal is to become the better equipped leaders needed by True Parent.

On Saturday, February 25, we had 3 participants studying the Principles of Creation at the 2nd floor of the love building. “I didn’t know why God brought me to Las Vegas” said Isabel, Hiju Han’s guest, after the Workshop, “It has been a very difficult time for me after my children left me, for the first time in many months I feel happy”. She was met by Hijo at the Boulevard mall this week. She also attended Sunday service next day.

Half day DP workshop in Spanish

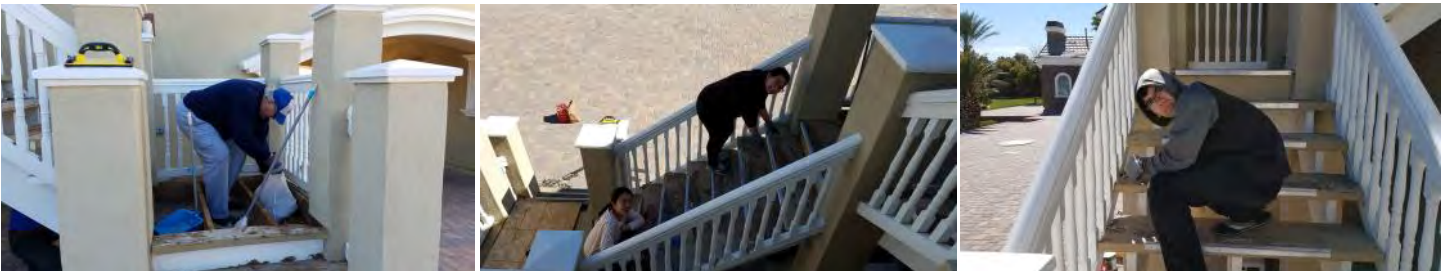

Open Mic for Peace

On Friday, February 24th, several guests and families members shared a wonderful time with music, food and fellowship at the L2 room of the church. The Open Mic ended with a song that everyone sang together.

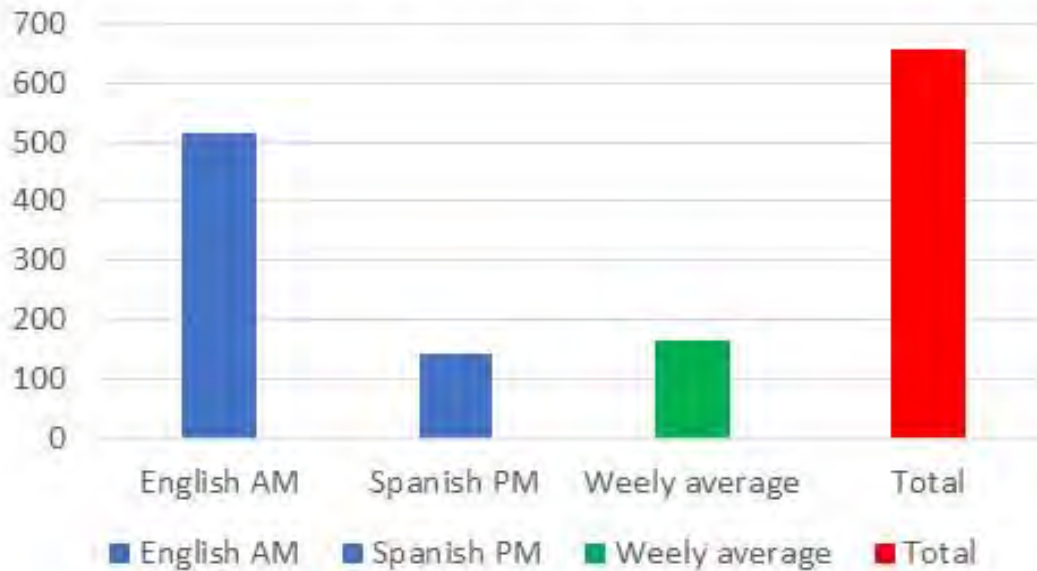

On February 19th, 6 of our CARP brothers and sisters received scholarship awards after Sunday Service from our senior pastor and True Parents representative, Rev. Ken Doo. CARP members smiles showed deep gratitude and happiness. As Rev. Doo offered award to them, he expressed his gratitude for their hard work and True Parents' hope and expectation for them to be future leaders in their spirit. The whole church was filled with a warm spirit as if everyone shared the same honor as one big family.

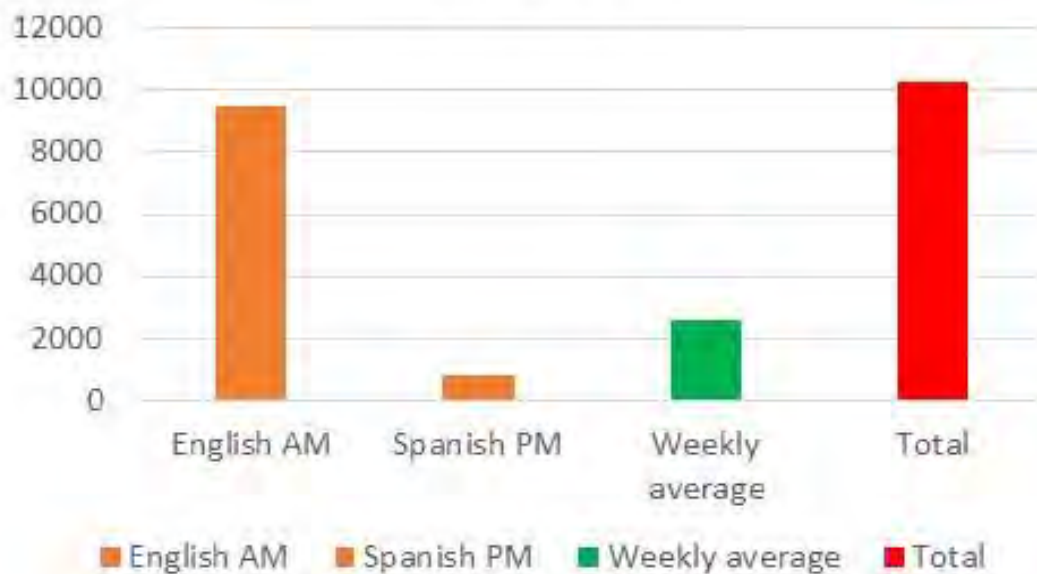

On February 24th, we had the opportunity to do some work on the 'Love Building' staircase. We cleaned-up CH, scraped the old paint, and replaced the rotten plywood. The next step will be putting the ceramic tile on the staircase and repainting the stairs. As you know, these stairs are used for all the activities during the week and by Sunday school. So, to all of you who have volunteered your time and your efforts, I say a loud and resounding THANK YOU !!!
