On 5.1 by the Heavenly Calendar in the fifth year of Cheon Il Guk (26 May, 2017), Las Vegas Family Church joined tribal messiahs around the world to commemorate the 55th Day of All True Things in their homes and trinities.

On Sunday, May 28th, the entire community gathered to celebrate this important holy day. About 90 brothers and sisters assembled at 9:00 am in Cheon Hwa Gung to hold a pledge service on this occasion. The celebration started with the singing of Cheon Il Guk Anthem followed by the CIG Pledge. Following the cake cutting with representatives of providential organizations, LVFC Senior Pastor, Rev. Ken Doo spoke on the history, meaning and importance of the Day of True Things as well as on the necessity to incorporate this tradition in our daily lives. The celebration ended with beautiful offering songs from family members and three rousing cheers of Eog Mansei. It was a genuine moment of prayer, gratitude and joy.
