On Saturday October 20, 2018, Tribal Messiahs of the Las Vegas Community blessed 25 Latino couples at the Broadacres Marketplace in North Las Vegas.

They set up a canopy at 5:30 AM and blessed couples until 4 PM.

They had a face painting station where children could get their faces painted while their parents were blessed!

They received holy wine and an opportunity to make a new start for their marriage.

A photo booth was set up for the families to then have their picture taken and printed.

It was a beautiful and exciting day and the Tribal Messiahs had a joyful experience.
