Las Vegas Family Federation for a Heavenly Community

Newsletter Issue No. 843

Welcome to LVFC HD Newsletter!

Have you ever wept and prayed all through the night for the sake of the person you are witnessing to? I am asking whether you have shed tears for that person more than you would at the death of your father or mother, or even your lover. If you have not, then you should. You should weep bitterly throughout the night. If only you could save one life, is there anything you would not spare? Money, clothes or a house would not even be an issue. Be crazy about loving people. (034-270,19700913)
