

Las Vegas Family Church Shine City Project at Las Vegas Blvd. and Windmill

On December 28, 2019, the final Saturday of the year, Shine City Project returned to Las Vegas Boulevard and Windmill for a cleanup! Led by Katsu-san, our five Shine City Project volunteers braved the cold and the wind to help pick up litter in the area. After several hours, fourteen bags of trash were filled! We hope that this final cleanup of the year can be an offering for 2019 and our Las Vegas community!
