Thanksgiving is the perfect time to share what you're thankful for. The FCNYC is so thankful for YOU!! To all the wonderful members and families at the Manhattan Church, thank you for continuous love and support. Without YOU we would not be the Family Church of NYC.

This Sunday at Service we are trying something new and special. Instead of regular normal program we will have a "Church Improvement Meeting" where we get the chance to here everyone's voice! We will have a forum to talk about church goals, growth, improvement, etc. Starting at regular church time, 10 AM.

After service there will be the Voting of the New Council Members and finally our annual **FCNYC Thanksgiving Potluck!** Please bring a dish, drink, baked goods or money donation for food and refreshments!
