July 2021

It's Summer!

It's retreat season here at CARP. CARP chapters around the country have gathered their members, friends, mentors, advisors and gathered them for a cumulative CARP experience all together.

Many of these CARP chapters hosted their first in person large scale event with these retreats after a year of doing activities virtually. **CARP Dallas** (*pictured below*) hosted their retreat on May 31 to June 5 and had an amazing experience.

While many students and leaders will take some break this summer, many of our chapter leaders will be preparing for the upcoming new year. Stay tuned for more details.
