

The Korean term, (hoon dohk hae), is translated “gathering together for reading and learning”. *The Gathering for Reading and Learning Series* consists of selections from the speeches of the Reverend Sun Myung Moon, which He has asked each family on Earth to consider reading together, for one hour each day. The series offers a wealth of spiritual resources for daily devotional readings.

E-mail addresses for arranging orders are:

Following is the e-mail message received from this source of the Hoon Dohk Hae, (HDH), material:

We do sell HDH, (the 15 Volume set), for \$75.00 for paperback and \$150.00 for hardcover plus \$10.00 for shipping.

The only other approved HDH material is the TP 80-year birthday giftset, 4 volumes for \$40.00 plus shipping.

As of May 2004, a revolutionary coverage of the most crucial insider reality of the Unification Movement, in the form of a book review of the book “Home Church”, is at:

<http://www.tparents.org/Library/Unification/Talks/Fleming/Dave-HomeChurch3.htm>

As of May 2004, the most important and revealing 1983 book, “Home Church” has been unavailable for two years, to my knowledge:

Home Church: The Words Of Sun Myung Moon
by Moon, Sun Myung
ISBN 0-910 621-21-7

As of May 2004, the text of “Home Church” is at: <http://www.unification.org/ucbooks/HC/index.html>
