Interreligious and International Federation for World Peace
United States

April 26, 2007

Dear Ambassadors for Peace,

On behalf of the Universal Peace Federation - USA we are pleased to invite you to a special evening of music and inspiration that promises to uplift and encourage all who love America and yearn for Peace. The theme of the tour is "**America's Central Role in the Path to Peace**". This tour will cover all 50 states of the U.S. from May 21 through June 9, 2007. The Keynote Speaker in 12 of the major cities will be the renowned Dr. Hak Ja Han Moon, who together with her husband, the Rev. Dr. Sun Myung Moon co-founded the Universal Peace Federation.

We invite you to be our special guest on Thursday, May 24th at Marriott Crystal Gateway Hotel.

Dr. Hak Ja Han Moon who has traveled to 180 nations two times in the last two years will be directly sharing the vision and the message for 12 of the North American cities. From the President of the Philippines to the President of India to the world's most famous religious leaders, Dr. Moon continues to demonstrate that the path to peace is based on True Love and commitment to the family and the world as One Family Under God. Her message has also been well received by Senators, Congressmen, Governors and the faith leaders of America. She touches and empowers people of faith, character, and conscience in the spirit of hope and encouragement that God is guiding America. As a woman whose focus is on the wellbeing of all families, Mrs. Moon wants to express God's love for the American people, proclaiming that if we come together in heart and spirit, we will see a new beginning for America and for the hope of peace in our world.

UPF responded to global disasters and natural challenges facing the human family, launching the "Alliance for Recovery" effort for Hurricane Katrina victims in the United States, in conjunction with the Points of Light Foundation, and a similar effort for the victims of the recent Yogyakarta earthquake in Indonesia. Our Ambassadors for Peace continue to bring hope through the work of the Middle East Peace Initiative despite the deteriorating situation there. These and other peace efforts are being covered by Universal Peace TV (www.UPTV.org).

UPF is co-sponsoring this North American 13-city portion of the World Tour with the Family Federation for World Peace and Unification, along with the American Family Coalition, the American Clergy Leadership Conference, the Women's Federation for World Peace, and the Collegiate Association for the Research of Principle.

Please join us on **May 24th at Marriott Crystal Gateway** for this most timely event.
