THE MOTHER OF
PEACE

Dr. HAK JA HAN

THE VISION

**PEACE IS NOT SIMPLY THE ABSENCE OF WAR...
PEACE IS AN ESSENTIAL QUALITY THAT SHOULD
CHARACTERIZE ALL RELATIONSHIPS.**

Co-founded by Dr. Hak Ja Han in 2005, UPF is a global network of individuals and organizations dedicated to building a world of peace.

Bringing together leaders from diverse fields, UPF supports the work of the United Nations.

THE PRINCIPLES

UPF's 5 Principles function as a universal common ground for cooperation among diverse people.

They include the ideas that **we are one human family created by God** and that **the family is the "school of love and peace"**, where the most basic personal and public virtues are learned.

THE BRANCHES

UPF consists of 7 primary associations, and 8 core **programs to impact all aspects of society.**

These associations include peace programs to gather parliamentarians, religious leaders, media professionals, academicians, business leaders, and more.

THE IMPACT

One of UPF's most impactful programs are its world summits.

World leaders, including current and former heads of state, gather to discuss **practical solutions to world problems** such as climate change and environmental issues.
