Dear Blessed Families,

We would like to invite all Blessed Parents who have children of matching age or younger to our upcoming European Parents Matching Convocation. **Parents of Blessed children** and **parents of Jacob children** are welcome to attend.

In addition, Second Generation and Jacob children matching candidates who are twenty-five years old or older are also invited to participate.

The European Parents Matching Convocation will take place at:

Seminar Center Neumühle, near Bad Camberg, Germany

From **Friday, 6<sup>th</sup> of November till Sunday 8<sup>th</sup> of November 2015**

The purpose of the convocation is to support parents in their role of matching their children. True Parents have given this responsibility to the parents, and it is our task as Blessed Families to fulfil the expectation of our True Parents and to establish a right tradition. For this we need to make our full effort and work together well, supporting each other in facing the different challenges, guiding our 2nd Generation well through the matching process and setting the right foundation for their future Blessing.

Concerning 2<sup>nd</sup> gen and Jacobs children of age 25+ who are still looking for their eternal spouse, we believe that a close cooperation between parents and their children may help the process of finding their match. Therefore we encourage these young brothers and sisters to also participate in the Parents Matching Convocation.

The Convocation will include plenty of useful information and valuable internal guidance on issues relating to the matching and Blessing that can be helpful whether you are preparing to match your children or are already in the process of doing so.

The “Treasures Of Heaven” ministry for blessed children with special needs will be presented as well-

Besides we will offer some special sessions – parallel to the parents program - with testimonies, presentations and discussions for the young adults, and the chance to talk/make a plan with a member of the matching support team.

There will be time set aside to meet and share with other Blessed Families, an aspect that people find so valuable.

At the Convocation there is also a unique opportunity to display the profile (photographs and information) about your child if he/she is a matching candidate and to see the pictures and personal details about other matching candidates from all over Europe and even from other parts of the world. This may directly help the process of finding a suitable partner for your child.

It is recommended to register early. There are 80 spaces available. Places will be given on first come, first-served basis.

Please consider whether you would like to display your child's profile (or your own profile if you are a candidate) at the convocation. If you would like to do so, please inform Orlande Schenk [pmc@esgd.org](mailto:pmc@esgd.org) by email.(deadline: **28 October 2015**). Note that we will only display profiles of candidates who have explicitly expressed their wish to have them displayed. The profile will not be displayed by us unless you specifically inform us that you would like us to do so.

**To ensure that your profile is displayed you have several options:**

1. If you / your candidate is already registered on the International Matching website [www.bcmatching.org](http://www.bcmatching.org) make sure the profile is updated and inform us of your desire to display his/her profile. We can then print your profile from the website and display it. (If you are not registered, you can use this opportunity to register your candidate on the website. This not only allows you to use the website, but also means that you only have to update your profile and it can be displayed at any future convocation, in Europe or elsewhere, just by letting us know.)
2. If you submitted a Blessing Application, we can also use copies of your Blessing Application (Pictures, Application form and Family Introduction form to display the profile.
3. If neither of the above applies, you can still hand in your own materials: pictures, letters, information for display. Contact information and basic data (name, date of birth, etc.) should be included.

Furthermore, it is particularly helpful if the candidate can fill out the attached questionnaire below and send it to us.

Please send **all information** to us at least one week before the date of the event (deadline: **28 October 2015**), so that we have time to collate and prepare copies.
