Invitation to an international HARP workshop

Dear HARP members and Parents,

We are happy to inform you about an international HARP workshop and warmly invite all HARP-aged members (aged 15+) to participate. It will take place in Slovakia, in the seminar centre in Luzna near Bratislava, from 29th April to 1st May.

The workshop is designed for Eastern European HARP members but we welcome participants from other countries too. This is a joint project of the ESGD and the DONE mission programme and the workshop will provide a good chance for BCs to meet from other nations, to refresh our minds and feed our spirits with good education and team activities.

The programme will consist of lectures, life testimonies, sports and team challenges. Some of the activities will be divided into separate age groups, one group being for 15-17 years old and the other group for 18+. This is so that we can offer relevant care and guidance for elder second gen as well. Main lecturers are Patrick and Martin.

International HARP WS – key information
