

International Costume Day

Organised by WFPW and Bridge of Peace, Volunteers Association

West Country, united Kingdom, 29. December 2012

Reported by Tomoko Harris (WFPW Avon Branch coordinator)

We had a wonderful afternoon gathered together in the celebration of different cultures, with beautiful cultural costumes. We invited Mr Ed Stacy for a UPF presentation and also one of Bristol City's Councillors came to talk about making a harmony in our community. After that we have some people give mini presentations on their costumes and cultures. Some of them showed their country's traditional dancing, some of them read poems from their country and we shared various cultural foods after that. We all had a wonderful feeling of sharing and making harmony between us.

We had more than 20 guests. Among them are AFPs and some new guests. Some more photos below.
