and prayers.

Dear Denver Family,

After long deliberation and much thinking I have chosen to do a small ceremony for my mom at the home of Yoshi, Kohki, and Virginia Rose (17142 E Crestline Place Centennial, CO 80015) on March 8 at 6PM.

Pastors Hentrich will present.

I would like to invite the members who actually knew my mom and feel a desire to celebrate her life.

It's not that I don't want to share her wonderful life with others, I just feel that this would be respecting my mother's way.

I love my church community and am so grateful to everyone for your love and support.

Each of you are so precious and valuable to me.

Thank you too for your beautiful words, thoughts
