# DR Congo Building Update

## Thank you!

Thanks to your financial support and generosity, Hope for Children has been able to begin building their new home.

Some words directly from the Hope For Children team:

**" We thank you from the bottom of our hearts for this beautiful project that you have just made possible thanks to your donations. We could never have gotten to where we are today without your generous donations. "**

***Ben and volunteer team, DR Congo***

With your help, IRFF-UK raised **£820** in August 2023.

Local volunteers, TAD (Tous en Action vers le Developpement), and WCA (World Culture Association) donated an additional £880.

Thanks to this the Hope for Children team was able to purchase 300 wooden

boards and rafters to begin construction.

At the beginning of September, the frame outline was built and Hope for Children worked towards building the room divides, receiving a further **£90** from IRFF-UK.

The house under construction has 9 bedrooms with the capacity to accommodate 60 children. Hope for Children is now working on the frame for the roof with the project nearly at 45% completion!

To protect the house from the elements, IRFF-UK is sending a further **£260** this month to support the purchase of 62 roofing sheets.

For this appeal, Hope for Children has so far received a total of £2595, **£1,170** of

it from **IRFF-UK**.

## What's Left?

There's still a further £2740 needed so that Hope for Children can complete the project.

IRFF-UK would love to support by covering the costs of the **windows and doors** to make the house a home.

The success of this project has been down to your contributions thus far, and we can make their home a reality by giving today.

Even £5 can go a long way to reaching this goal and reuniting the street children of HFC Goma, DR Congo.

## What our donors are saying

Your efforts in the areas of education, health and sustainability are vital in certain countries and truly appreciated. My family will continue to sponsor a child at Destiny Junior School in Uganda, and will endeavour to support other causes that IRFF UK informs us about.

**Marshall de Souza**  
Destiny School Sponsor

The Women's Federation for World Peace, South London, has been supporting Destiny Junior School through IRFF-UK for more than 12 years. Our ladies sincerely had been helping to provide a better place for the children of Destiny Junior School in Uganda. We believe Education and health are the most important things for the life of the child.

**Dolores Read**  
Destiny School Sponsor

I have been happy to support projects that IRFF is running in Uganda. In particular, I have donated funds towards the building of a perimeter wall and a kitchen at Destiny School. I really appreciate the good work IRFF has been doing over the years to help people/children in Africa.
