Join Us in Combating Child Hunger at Walmer Angels Soup Kitchen

We would like to begin by saying **thank you** for the support you have already offered this year. You have directly improved the lives of hundreds of women and children in Africa.

We at IRFF-UK have become aware of the critical issue which requires an urgent response: the alarming rates of child hunger in the Eastern Cape, South Africa.

This is particularly true in the vicinity of Gqeberha, where the **Walmer Angels soup kitchen** has been steadfastly working to provide a lifeline to those in need.

Between August 2022 and September 2023, 1,722 children under the age of five were newly diagnosed with **severe acute malnutrition**. Tragically, 114 of these children lost their lives, with many still succumbing to moderate to severe malnutrition.

Further heartbreaking statistics reveal that 25% of the province's children are stunted, which is one in four children.

Walmer Angels Soup Kitchen

In the face of this crisis, the Walmer Angels soup kitchen in Gqeberha has emerged as a beacon of hope, providing essential nourishment to children in desperate need.

The images from the kitchen depict not only the severity of the situation but also the immediate impact that our support can make.

At IRFF-UK we cannot stand idly by while children suffer from hunger. As such, we have committed to a recurring donation of £200 per month to the Walmer Angels soup kitchen. By doing so, we ensure a sustained and meaningful impact that goes beyond sporadic aid.

Why Your Support Matters

A staggering eight million children in South Africa live in food poverty, lacking sufficient food to meet their basic nutritional needs. This is a violation of their fundamental rights and a challenge that transcends individual well-being, affecting communities and the whole nation.

Join us in making a difference by addressing food insecurity and malnutrition among children.

This highlights the fundamental rights to food, nutrition, healthcare, schooling, and shelter.

By supporting the Walmer Angels soup kitchen, we are actively contributing to a solution that upholds the rights of the most vulnerable in our societies.

Take Action Today: Commit to a Monthly Sum

We at IRFF-UK implore you to join us in this crucial mission by committing to a recurring donation towards the Walmer Angels soup kitchen. Your support will play a vital role in providing sustenance, hope, and a brighter future for the children who need it most.
