Hi. Welcome to 'Peace Starts with Me.'

I'm Tyler Hendricks. The topic this week starts with 'The Fruit of The Womb.'

True Mother, Dr. Hak Ja Han Moon, began Her public career, by inaugurating with True Father, The Rev. Sun Myung Moon, 'The Women's Federation for Peace in Asia;' and, this soon grew into 'The Women's Federation for World Peace.' We were impacting Her inaugural address given in Seoul, at the Olympic Stadium, on April 10, 1992.

On that day, True Mother declared the revolutionary acts of "women, who in the course of the history of restoration through indemnity, came to stand in the position of Eve and risked their lives." Risking their lives did not have to do with fighting wars or exploring new lands; but, with the love of man and woman that creates families.

As True Mother stated, "God's dispensation needed to be carried out within a mother's womb." The first chosen womb was that of Rebecca. God told Rebecca that the twins in her womb were two nations. Through obedience to God, Rebecca dominated the father of the twins, Isaac, and her first son, Esau. This reversed Eve's act of obedience that allowed Satan to dominate father and son. Rebecca, thereby, initiated the lineage of the Israelites.

Two generations later, Tamar's obedience, at the risk of her life, allowed her to dominate Rebecca's grandson, Judah, and his son Gilah, another father and son thereby separating the womb from Satan. Tamar established a basic tradition whereby God's children could be conceived and given birth without Satan's invasion.

True Mother summarized that the lineage of Satan was planted in the maternal womb. With Tamar, the womb was restored to the side of God. This was the victory in the womb. Following this pattern, mother Mary's absolute obedience to God allowed her to dominate another father and son, Zachariah and Joseph. True Mother stated, "During the time that Jesus was in Mary's womb, Satan could make no claim on his lineage."

Fast-forward to January, 1, 1973, God's Day. True Father told our American members that we are still in the Mother's Womb, that we are on the path of rebirth in The Mother's Womb, True Mother's Womb. Due to Her absolute obedience to God, as Tamar gave birth to Israel and Mary to Jesus, True Mother gives us birth. And this is the core mission of the Women's Federation. True Mother shares with all women the mission to give birth to the world.

Thank you for listening, talk to you again next week.
