Welcome to our True Parents Way video series, 'Peace Starts with Me.' Our topic is, 'The Only-Begotten Daughter Breaks our Concepts.'

Now it is true, both, that True Mother did not receive any education (no special education from True Father) and that True Father 'raised Her up.' How can that be?

True Mother - Witness Messiah - Not Original Creation

True Mother was born the perfect Daughter in the Original Creation; and, in that respect, without need for education. At the same time, She (Hak Ja Han) needed education to fulfill the position of John the Baptist and Witness to The Messiah. This latter 'education' was not part of the Original Creation. In those positions, True Mother is doing what She saw True Father do, and, what He could not do. I'll give an example:

In 1972 ensconced in a house in the Bronx, Father Moon told His small group of believers that He would speak at Lincoln Center. They told Him it was way too much; but, it worked. The next year, Father said, (that He would be speaking at) Carnegie Hall. They said, 'Impossible.' But it worked. The next year Madison Square Garden. Two years later, Yankee Stadium, Washington Monument. True Father broke

our concepts. He gave us confidence in who we are. He galvanized us and gave us confidence in who we are.

So, when True Mother said, "In 40 days, I will speak at Madison Square Garden," what did we think? Impossible! But, Her (True Mother's) Message was straight from True Father, 'Give up your concepts.' The world will listen to God's only-begotten Daughter. If you believe in Me (True Mother), we will fill the Garden. Have confidence in God and in the Principle and in yourselves.

Stand up! Proclaim who you are, just as I am doing! True Father is with you. Be proud of your ideal, your identity, your history, your vision; and, the world will listen. To me, (Tyler Hendricks), this is the reason True Mother is repeating and repeating 'only-begotten Daughter,' 'only-begotten Daughter.' She (True Mother) is saying, 'Don't be shy. Stand up for your identity. Be bold. Be straight-forward and unapologetic. Proclaim it and live it.

As Jesus told us, "The Counselor, The Holy Spirit, Whom The Father will send in My Name, will teach you all things and will remind you of everything I have said to you.

On July 15, 2017, at Madison Square Garden, there was no bow out of witnesses; instead, there was a blow out. Yolanda Adams, Hezekiah Walker, A. Curtis Farrow, thousands of singers and dancers, turned the Garden into the Temple ... first and second generation, we owned the holy of holies, Christian, Jewish, Muslim, Unificationists all were one family. As John the Baptist completed Judaism, the only-begotten Daughter completed Christianity; and, we who attend Her complete Unificationism. She (True Mother/True Parents) is our Co-Founder.

Thanks for listening.
