Welcome to Peace Starts with Me. I'm Tyler Hendricks. Our subject is 'The Modest Messiah.'

Last week we discussed True Father's Statement that a representative Woman in the position of Eve must take the role of John the Baptist in bringing perfected Adam to the world. Well, what was the role of John the Baptist? He was to attend and proclaim Jesus. When John failed, Jesus had to take that position. The Divine Principle teaches that, after Jesus gave up his body on the cross, he resumed the John the Baptist position spiritually. Subsequently, after 40 days with the disciples, Jesus ascended to the position of the spiritual Messiah and sent The Holy Spirit. Thereupon, Jesus and the Holy Spirit became the spiritual True Parents and began the work of giving rebirth.

The Call for Eve to take John the Baptist position came on May 1, 1977, seven month after Washington Monument. It was a direct Call to True Mother. So, why did True Father say that every women is a candidate for this position. It was because True Mother had not yet fulfilled the mission, that act of bringing the perfected Adam into the world.

Two days later, True Mother gave Her Testimony at Belvedere. It was Her longest talk until that point. Over the next five years, She bore four more children, endured the Danbury Course, and attended True Father in the global expansion of the International, Interreligious and Interracial Providence, the fall of the Berline Wall and the Declaration of Heavenly Parentism. Then, in 1991, True Mother initiated Her Public Mission in John the Baptist's Position to bring perfected Adam into the world. She declared that Rev. Sun Myung Moon is Lord of The Second Advent throughout Korea and to leadership of the Women's Federation for World Peace. She (True Mother) took those steps boldly; and, within a year, True Father declared Her The True Eve and told us what that means exactly.

"By Mother taking leadership like this, She (True Mother) substantially came to stand right beside Me. For Me to go to the Heavenly Kingdom, both of us have to go together and the children will have to follow after us.

Father continued saying:

"She (True Mother) accomplished the position of having perfected Herself on the world level; and therefore, We could finally proclaim the liberation of women throughout the world."

As True Mother's Speech at Madison Square Garden shows, She (True Mother) is still, to this very day, advancing without ceasing; and, that is incredible.

Thank you for listening. I'll talk to you again next week.
