Hello and welcome to True Parents' Way video series. Our topic is 'Not through Human Eyes.'

True Father told us how to become His (True Father's) true only-begotten children. He said, "We have to think of the Lord of the Second Advent as our Father and think of Him as the Bridegroom, ... then as the Son and Daughter."

So, when you see Him (True Father), you have to feel that you are His children, His son or His daughter; then, you have to feel that you are His bride (that is in the women's case); and, for men, you have to feel like His brother; next, you have to feel as Parents with Him, together with Him. These feelings come through revelation and spiritual support from God and they remain through absolute faith. True Father explained this in Jacob's family and in Jesus' family.

Unlike Jesus' family who lost faith in him looking through human eyes, Jacob did not judge his mother with human eyes. Through his absolute faith in God and his mother, he (Jacob) received his father's blessing and turned around the whole providence.

In contrast, those around Jesus lost faith, denied the revelation and judged him with human eyes. As a result, there was not room for them to help him (Jesus) find the Bride.

What of True Father's Family? True Mother received the revelation and maintained absolute faith. She (True Mother) restored the failure of Jesus' family. Her first step was to become the Bride, by which action, Father became the Bridegroom. In this sense, She (True Mother) took the position of John the Baptist.

At the river, God revealed to John that Jesus was God's chosen One; then, the object partner John, baptized the Subject Partner (Jesus), restoring upon Jesus the Old Testament Foundation. Then, God told Jesus he was God's son. Thus, John the Baptist completed Judaism.

In 1960, The Object Partner, Hak Ja Han, Baptized Her Subject Partner, Sun Myung Moon, bestowing upon Him the New Testament Foundation. Then, True Father took the Position of Bridegroom. Thus, True Mother completed Christianity. It is an exact parallel. What happened then? In True Parents' Words:

"Love alone is the Victory." If John the Baptist believed in Jesus, there could have been brought about love between him (John the Baptist) and Jesus. No love being there, Jesus was destined to die. John began to look at Jesus with human eyes.

True Mother looks at True Father through God's Eyes, as The Bridegroom. As True Father said, "Love alone is the Victory."

Thank you for listening. We'll talk to you next time.
