Dear Brothers and Sisters, Pastors and Council Chairs,

As you are probably aware, as a service to the Unification Church community, the National Council created a Charter to help the local councils in governing our churches. We are happy with the feedback that most of our churches are using the charter, and that some churches have questions or suggestions for us. Therefore, we are planning a series of webinars again this year to share “best practices” in governing our communities, by implementing the Charter for Local Churches. You may find background information on the National Council website at <http://familyfed.org/nationalcouncil/>, and a copy of the charter is attached to this email.

~~The first webinar will be held twice, to give a choice of when you can attend~~

Thursday, June 25, 2015, at 8:00 pm eastern time

Saturday, July 11, 2015, at 1:00 pm eastern time

The webinar will start with a small informational overview of what’s in the National Charter and what can be amended at the local level

We will feature some Local Council Chairwo/men, including Second Generation, who have experience and success in tailoring their Local Charter to their church and in using their charter to govern their Local Council and church

There will be plenty of time for Q&A
