March 18, 2025

Dear Brothers and Sisters,

We would like to invite you for a special opportunity that is coming to our local community.

The HJ Cheon Bo Team from Las Vegas will be holding a workshop at the Colorado Family Church, Friday April 4th – Sunday April 6th. You will have the opportunity for:

- Ancestor and Collateral Liberation
- Spirit World Education
- Chanyang and Special Ansu Sessions
- Cheon Shim Won Prayer Vigil

Friday and Saturday will be the bulk of the workshop schedule with Sunday afternoon open for any special requests.

We are expecting the workshop fee to be \$25 a person and under 10 yrs old free. This will help cover food and any necessary workshop related items.

Please stay tuned for further details concerning workshop schedule and the requirements for ancestor liberation.

There are two potential forms for registration, [collateral liberation](#) and [ancestor liberations](#). Please fill out either or both of these forms, whichever you are planning to do, and please send/hand to Hisako Geschwind at least one week before the workshop.
