

Colorado Family Church: Welcome Home BBQ and Potluck for the Love Family on September 13

Michael and Adonia Hentrich
August 25, 2025

As many of you have already heard, we are welcoming back the Love family to our community soon, and we thought it would be nice to have a get-together to celebrate their return.

Therefore, you are invited to attend a lunch gathering on Saturday, September 13th at 11am. We will have a BBQ in the Paco Sanchez park with burgers provided by the church (and probably hot dogs for those that want them). It will be a potluck, so please bring some kind of dish to share. We just want to have a time for togetherness and we will try to keep it simple by using the tables and play features of the park so there is not a lot of cleanup afterwards. If anyone wants to organize some kind of sports or other activities, that is welcome.

If you plan to come, please let Pastor Mike know either by replying to this email or sending him a text message so we have some idea of how many burgers to prepare. Thank you and we hope to see you there.
