

Colorado Family Church: *Happiness Starts with Us* Event this Wednesday @ 6pm

Michael and Adonia Hentrich
November 16, 2025

Our missionaries from Korea are organizing an evening of fun, games, and sharing food this coming Wednesday at 6 pm. The purpose is to help connect the guests that they've been investing in with our community before they depart back home. They will be preparing some food, but this is also a potluck and they would appreciate it if you would bring a dish if you come. Also, their manpower is limited and won't be able to accommodate children in this instance.

You are all invited to come. If you have any questions, please reach out to Kenzo or Anisa.

Sincerely,
Pastors Mike & Adonia
