

## Colorado Family Church: New Year's Midnight Prayer

Michael and Adonia Hentrich  
December 31, 2025

Dear Family,

Today is New Year's Eve, and I know we are all thinking about the new year. The church is always available for anyone that wants to go and say a prayer or spend time in reflection of the past year. Dr. Hentrich will be at the church from 11:30pm for anyone that wants to ring in the new year together in prayer. You are welcome to go any time of course.

International HQ also sent out a live broadcast for their new year prayer. Because of the time difference, that already happened this morning, but you should be able to watch the recording when it becomes available.

If the recording is not available at this link later today, please reach out to me and I'll send you a recording.
