Michael and Adonia Hentrich
February 13, 2026

Dear brothers and sisters,

We hope you are enjoying winter season in Colorado!

As we are approaching 24th of February marking the 4th anniversary of full-scale invasion to Ukraine, we are launching fundraising campaign to address the urgent need for support for our brothers and sisters in Ukraine. Our blessed families are preparing a short video about their lives during the past 4 years in war conditions to be shown soon.

In our efforts to support we will offer delicious Ukrainian food for sale on Feb.22nd and March 1st during the lunch after Sunday Service. Also, you can buy frozen dumplings on a spot.

Also, you are very welcome to offer your donations for generators. Information is provided below.

On Sunday, February 22 from 1:00 pm to 3:00 pm the Ukrainians in Colorado invite the community to gather at the Denver Capitol Steps to mark four years since russia's full-scale invasion of Ukraine. We hope to see you there.

Standing with Our Ukrainian Brothers and Sisters

__Urgent Need for Generators, Fuel, and Power Equipment__

As many of you know, Ukrainian families are facing daily hardship due to frequent power outages, often left with little to no electricity. In these conditions, generators have become essential for providing basic power and maintaining daily life.

Ukrainian families are seeking support to cover fuel costs for generators that provide electricity to two family centers. At present, the available generators can operate for approximately 8 hours per day.

How You Can Help

We are seeking urgent support to cover ***fuel expenses*** and to purchase additional power equipment:

Fuel cost: approximately \$100 per day

Weekly total: around \$500–\$700 per week

Additional needs: 1 power station, 2 inverters, Several batteries for the inverter system

At this time, we cannot predict how long these challenges will continue. What we do know is that the strength of community and shared support can make a meaningful difference.

Your Support Truly Matters

Every contribution helps maintain basic living conditions and brings light, warmth, and stability to families who need it most. Together, as a community, we can stand with Ukraine and provide practical, life-sustaining support.
