

## Colorado Family Church: Coming Visit from National President Demian Dunkley

Michael and Adonia Hentrich  
March 16, 2026

As many of you have already heard, our national church president, Rev. Demian Dunkley will be visiting our community soon as part of his Higher Ground tour where he is visiting all of our communities around the country. We are currently scheduled for March 23-24, which is a Monday and Tuesday. There is always the possibility that things might change at the last minute, but this is most likely going to happen.

We currently plan to have a community gathering with him on Monday evening at 6pm. We will serve dinner. All are welcome to come. In other communities, this has been an opportunity for sharing and questions and answers. We expect to have smaller, more intimate meetings with him on Tuesday, but we haven't worked out the details of that yet.

Sincerely,  
Pastors Mike & Adonia
