Summary of the discussion	
No	Items Discussed
1	The Pastors shared an update on how the plans for the exterior renovation are going. Right now, most of the efforts on focused on generating ideas, getting quotes for different potential projects, and prioritizing those projects. The proposed funding for this project is partially from money that is being stored at headquarters that can only be used for the purchase or renovation of a property. In addition, we will seek a grant from headquarters. A rough proposal is planned to be ready by the end of the year. The pastors will also be visiting relatives from December 24 - January 5

2	The Social Media Director contract draft for Tami Tamayo was reviewed, suggestions and adjustments were discussed.
3	The council continued discussions on the local budget being prepared for our community.
4	On December 13, Pastor Mike sent an email proposal to the council regarding the Marriage Course. The request was for the council to sponsor 2 scholarships for the course (to be given on a first-come, first-serve basis), to pay for the one-time cost of the course presenter material, and to purchase a few decor items, totaling \$340. Course attendees are asked to pay \$120 per couple, which covers the costs of the meals and the booklets that they will use. The council unanimously approved this proposal by email on December 13.
