June 14, 2018

The Colorado Family Church community celebrated the 56th Day of All True Things with a 7:00 a.m. pledge service on June 14, followed by a nice breakfast of croissants, yogurt and cake! Pastor Adonia read a few excerpts from True Father's "Day of All Things" message in 1997.

"In the process of creation, God created all things first. Upon that foundation, God created our original ancestors, Adam and Eve. But because of their Fall, God lost everything. He lost His children and all things...if we truly understand the reality, the entire universe is more precious than our own children. More precious than anything else...All things want to be treated with appreciation by the true children of God. Once we reach that level all things will be happy to be absorbed by human beings."
