

Colorado Family Church Council Minutes from July 21, 2019

Michael Hentrich

August 6, 2019

Attendance: Pastors Mike and Adonia, Gary Fleisher, Justino and Joelle Alves, Jim Chimes, Margo and Dan Nye

Council Meeting began with prayer by Justino Alves and HDH Reading by Margo Nye

The council was given an up-to-date financial report. June was filled with many events: Family Camp - This may have been the best Family camp yet, large turnout, refreshing experience and Las Vegas - Good experience for most; many supported their own way.

Tithing has been pretty weak this year and very low in June (but we did not have service for two Sundays of the month; may make itself up in the coming months)

Council brain stormed on why is that? Personal situations yet important spiritual practice. Brain storming other ways to generate additional income.

The National event budget has been used up for the year.

Pastor Adonia brought up the 7th Anniversary of Father's Sunghwa and a National Leader's meeting coming up (date TBD). One or both pastors will attend.

Mother wants to do a large event with 20 to 30,000 ministers at the end of the year. Focused on people's relationships with pastors and ministers.

How can we build stronger relationships within our community? Mormon faith are really good at taking care of each other. Began to brain storm ideas.

The Welcoming committee needs more recruits.

Financial report will be sent out to community.

The meeting concluded with a prayer by Jim Chimes. The next meeting will be Aug 25th. All members are invited to attend.
