Pastors report:

Tentative budget for next year is more than this year thus, we need to investigate where we can cut or trim budgets.

This year Sunday schools did not ask for a budget, but they are asking for next year. High school wants to do a workshop in the mountains, the French ministry is asking for a budget. Also, pastors will like a lot of improvements in the building/parsonage, hiring someone to clean.

We think that tithing will go up next year with more people moving to Colorado.

In the next meeting, we'll meet with the financial team to discuss next year's budget.

There was a Ukraine group that came a couple years ago that have a very inspiring community. They will be here December 7, from 9am to 9pm. All are welcome. Would be good to know what we can inherit from them.

Plan to send the video to headquarters about our community at the beginning of the year. Would hope to get \$\$\$ from headquarters for renovations.

Pastor Adonia will go to the NY event on December 28th.

Uncertain about the number of events for next year. Few couples from Colorado going to the Blessing.

Next Meeting: Jan 5th

Closing Prayer: Cynthia Hiromitsu
