Dear family,

With the new year, it is time to sign up again for Sunday lunch cooking and cleaning. The tradition of families cooking meals for everyone is awesome and I would like to see it continue, but it is going to take many of us making that commitment for it to happen. I know that cooking lunch for so many people is not an easy thing to do and can seem overwhelming, but many people have expressed how fulfilling it is to do, especially when you really pour your heart into making the meal and seeing everyone enjoying it.

We have 18 spots available for the year. This is for every 3rd and 5th Sunday of each month.

Please note there is only one signup spot per day, so this is for both cooking and cleaning. However, if you would like to cook but can not clean for some reason, please sign up for that day and let me know. I will find someone to clean up that day. Also, if you can clean, please let me know (reply to this email) and I can pair you with someone that needs help in that area.

We can also reimburse up to \$50 towards the cost of the meal.

Sincerely,

Pastor Mike
