

Colorado Family Church Goal Setting and Personal Development Class

Dear community,

Roger Fuehrer has offered to lead a 5 week Goal-Setting and Personal Development Class starting Sunday, February 9th through Sunday, March 8th.

He has led this class previously both professionally and for our community. Since we are beginning a new year and a new decade, Roger felt this would be a good opportunity for anyone wanting to set new goals or make progress in the goals they already have.

It will be very interactive with many activities and methods to help identify personal strengths/opportunities for growth as well as make goals and set milestones to achieve them.

Roger would like to meet with anyone interested in attending after lunch this Sunday, partly to determine the best time to hold the class. If you are interested but unable to be at church this Sunday, please let myself or Roger know.

Thank you!
