

Colorado Family Church February, 2020 Local Highlights

Michel Hentrich
March 3, 2020

Dear family,

Spring is right around the corner, or at least we hope so. February was a very exciting month, and we hope you enjoy the brief recap below and see all the great things happening in our community.

FAMICON 2020

This month was the annual Famicon church conference in Las Vegas. Pastor Mike attended this year to delve into the goals and direction for our church for 2020.

BLESSING 2020

A huge congratulations to all our couples who attended the recent Marriage Blessing ceremony and committed themselves as couples to God. We wish them all a happy and fruitful life!

GOAL SETTING

Starting February 9, Roger Fuehrer has been offering a weekly goal setting and personal development class. It has been well attended and everyone has been working hard on making practical steps in their lives in this new year.

INTERRELIGIOUS SHARING

Gale and Antonio Alves organized the latest interreligious sharing series, hosted by the Baha'i community. Five religious leaders spoke on the topic of, "Who is God?" There was a beautiful spirit of sincere listening and freedom to share openly with one another.

TESTIMONY: FROM DESTITUTION TO RESURRECTION

The Love family recently shared their testimony of a challenging experience they had while here in Colorado where they went from destitution to resurrection. We've published it on our blog. Please take a [read](#).

This month, we started a new series on marriage and relationships called, "Some Assembly Required." Pastor Adonia started it with a message on, "[The Blueprint](#)," and Pastor Mike shared on, "[Fixing What is Broken](#)." We also had a message on "[Growth and Fulfillment](#)" and "[Creating an Environment for Growth](#)". If you missed any of them, you can watch them on our [YouTube Channel](#) or [Facebook page](#).

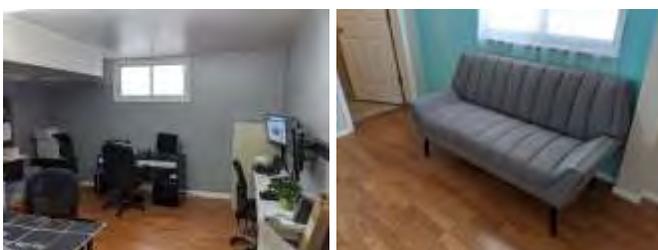

SPECIAL RECOGNITIONS

We are excited to welcome Trimon and Felicia Lamson to our community. Felicia is Adonia's sister and we are thrilled for them to be a part of our community!

We've enrolled as a part of King Sooper's community rewards program. Through shopping at King Soopers, 5% of your purchases will be donated to our church, so please take a few minutes to sign up. [Click here for the simple instructions.](#)

David Mahardy has been hard at work bringing us many improvements large and small. This month, a major improvement was some electrical work and new pendant lighting in the cafe. Check it out! We also finished a lot of touch up work in the cry room and also put in a new (and much better) couch. Lastly, over 50 volunteer hours went into renovating our office with new flooring and painting the walls and trim. A big thank you to our visitors Kobe and Anton for putting in much of the manpower needed to do this big project.
