Dear family,

This Friday at 7pm, we will be holding a local Cheonbo celebration to recognize four couples in our community that have fulfilled all the Cheonbo requirements. These four couples have worked very hard and we are excited to celebrate their accomplishment. This will be held in conjunction with the live stream happening in Korea. If you would like to come to the church on Friday to celebrate together with us, we invite and welcome you to attend. After the main event, around 8pm, we will also have some dinner for whoever is here.

Please note that the Marriage Course is also happening at this same time in the cafe, so please come in through the main entrance. Thank you.

Sincerely,

Pastors Mike and Adonia
