Dear family,

Tomorrow will be a very special Sunday Service. Over the past few weeks, our 13+ youth have been investing into the II Shim Program, our coming of age and purity pledge program. They have worked very hard on this, and we as a community now have an opportunity to participate in their graduation and cheer them on. Part of the graduation is the II Shim pledge, that the youth will make. There is also a community pledge that we will be making to them, which you will find below.

We promise to be examples of healthy relationships with God, True Parents, and our Families through our daily habits and testimony.

We will strive to create an atmosphere of love and encouragement as you grow and prepare for your future life as a Blessed Family.

We commit to making space for you to be involved in our community so that you can express your God-given passions and talents.

We believe in you, trust you, and are very excited to see the things you will accomplish!

Please make sure to come on time, and we look forward to seeing you all there!

Last Sunday, We shared a recording of Pastor Mike's message from 2 years ago on Easter Sunday. He shared about how, even though we get inspired at times and feel God has called us in certain ways, following through with that inspiration is not easy. John the Baptist couldn't do it, and it forced Jesus to go the way of the cross. Pastor Mike shares how we can model ourselves after Jesus to live a victorious life like he did.
