

Colorado Family Church: Next School Year - Heartland Academy!

July 3, 2021

Dear families,

Many of you got to observe (and support) the activities of the Colorado Heartland Co-op throughout the past year. You may or may not know that for this coming year we are taking a big step forward, and creating Heartland Academy Denver! Heartland Academy will be modeled after Acton Academy.

Tomorrow during service we will give a brief intro to what we will be doing, and then after lunch, at 12:30, we will give a more in-depth presentation, with the opportunity for QandA, and finding ways to support the school going forward!

We hope you will attend both! See you tomorrow!
