

Colorado Family Church: Sunday's Service - Announcements - Prayer for Ukraine

Michael and Adonia Hentrich
March 12, 2022

Dear family,

We are looking forward to seeing you all this Sunday. Pastor Mike will be sharing the next message in our series, which will focus on sibling relationships.

Last week, Andrew Love talked on deepening the husband/wife relationship with testimony from his own 10 years of marriage and the principles that have gotten them to where they are today. Enjoy the recording below if you missed it.

See you soon!

Sincerely,

Pastors Mike and Adonia

School of Love Series: How We Conquered 10 Years of Marriage

THIS WEEK'S ANNOUNCEMENTS

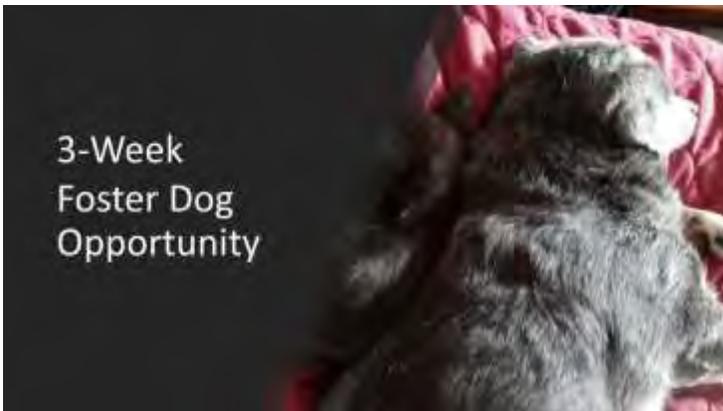

On Tuesday, we held a intimate Seonghwa service for Trudy Harris. It was a beautiful sharing about her life from loved ones and family. We are grateful to everyone that came and shared.

Thank you all for your support for our Ukrainian family. We are on the last leg of our prayer condition, which ends on Wednesday. In addition, we wanted to let you know that Sergii will be bringing his wife and daughter to the USA on Wednesday, when they will seek to claim asylum. Please pray that they can be accepted into the US as refugees when they arrive.

We have a special opportunity to help a family that has reached out to our church. Due to an emergency relocation, this family is looking for a 3-week foster home for their dog "Flower." She is an old dog that likes to sleep most of the day and gets along well with cats. They need to find a home for her by Monday, and although this is very short notice, we hope to help them out by finding someone. From my understanding, if they can't find a home for her, they may have to have her put down.

This past weekend, Pastor Mike attended the Subregion 5 FAMICON conference in LA. He had the opportunity to represent our community, share some testimonials about our young families, and receive

good content as well.

A big thank you to our team of volunteers for the ongoing renovation work across the street. Cabinets, countertops, and painting happened this week, with more coming soon.
