

Colorado Family Church: Pastor Adonia will be giving the message tomorrow

Michael and Adonia Hentrich
May 13, 2022

Dear family,

We are looking forward to seeing you all this Sunday! Pastor Adonia will be giving the message tomorrow.

We wanted to let you also know that this Sunday is the monthly Kodan fundraiser. There will be bento boxes for sale at lunchtime.

Also, this Sunday is the Colfax Marathon, so parts of Colfax Ave. will be closed. Please plan an alternate route to church. If you are coming by highway, taking Highway 6 west and then taking Federal Ave north is generally a good route.

Last week, Pastor Mike gave the Mother's Day message. Why should we honor our parents, even if they weren't good or made many mistakes? And how can we honor them, how do we truly appreciate and value them? Enjoy the recording below if you missed it.

See you soon!

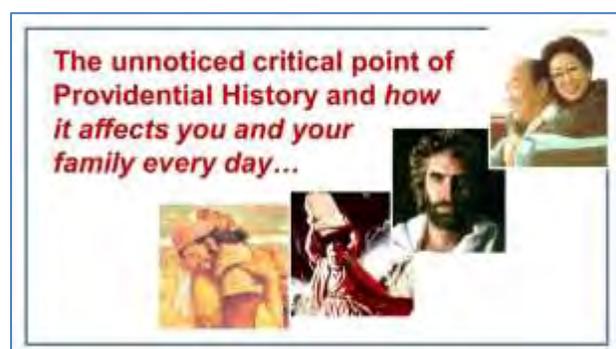

Sincerely,

Pastors Mike and Adonia

Honoring Our Parents: A Mother's Day Message

This Week's Announcements

Dr. Hentrich will be presenting this Sunday on the unnoticed critical point of Providential History and how it affects you and your family every day. This presentation will be in the chapel after lunch.

Mr. Noah Ross will be beginning his next series on "Discovering Your Authentic Self" on Saturday, May 21. Please see the flyer below for more details. Feel free to join or invite friends who might be interested in being introduced to the Divine Principle teachings.

The 7th Annual Spring Refresh is scheduled for this coming Saturday, May 21, starting at 9am. Please set that day aside to have fun, eat good food, and work hard on projects around the church. We wanted to also let you know that we plan to do the clothing swap again. Please bring any clothing items you wish to donate for the swap. You can put them in the office. Here are a few photos from last year.

We are keeping a close eye on the weather for next Saturday, but what we are seeing at this point is potentially highs in the 50s and rain, so we may end up rescheduling for a later date. We will keep you updated by email.
