

Colorado Family Church: Local Parents Matching Education on Saturday, 8/20

August 11, 2022

UPCOMING - Parents Matching Education • Saturday, August 20 • Colorado Family Church

We will be hosting a Parents Matching Education program. The PME is a wonderful opportunity for parents to understand the Matching Process, learn from those who have matched their children successfully, and network with other parents. Parents will also have the opportunity to learn from experienced presenters and will learn how important it is to deepen their relationship with their children and deepen their relationship with their spouse.

This PME is hosted by John Abelseth and local matching advisors such as Marjorie Buessing and Peggy Yujiri

We recommend that parents attend a PME before beginning the matching process with their children. All parents should participate in a PME simply to learn and prepare even if their children are younger. They will learn about the matching websites, the international matching process and other resources to support them in matching their children. They can also meet Matching supporters who are prepared to assist and support them. If your child is 12 or older, we recommend that you attend this program, even if just for information.

Please reply to this email to let us know you are coming.

Who Should Attend:

Parents of matching candidates and Blessed siblings of candidates are also welcome. Parents of younger children are encouraged to attend, to familiarize and educate themselves about the process and their role and begin developing a family plan for matching their children. Candidates are also welcome to attend.

Lunch will be provided. There is no cost for registration. Please simply let us know you are coming and how many people, so we can prepare adequately.
